

The one-act play “TAVLI” by Dimitris Kechaidis

In the open air theater “KALOLIMANO” by Xiropigado

On August 7th, the new theater company from North Kynouria “DRASIS” will perform the famous play by D. Kechaidis in the private theater “KALOLIMANO” in Xiropigado. The director is Kostas N. Farmassonis, a graduate of the Reinhardt Seminar in Vienna.

It is the second time that a performance by this director has taken place in this beautiful theater; because already in 2016 he had performed with great success with Duerrenmatt's “Visit of the Old Lady” in “KALOLIMANO”.

We are grateful that Silvia and Thomas Beck and their large family are making this theater available to us free of charge. The many events that take place and took place here are an important impetus for the development of the entire region.
