Tatia & Co - The Berlin Trio

Tatia - From Tbilisi, Georgia, singer/songwriter, producer and music teacher based in Berlin. In autumn 2021 her two new singles “I wish you the rain” and “Ramsons” from her forthcoming album “Green” were released. The songs were produced by Tatia and recorded in Georgia.

Eli and Dan have played together in numerous bands since 2005, but the Berlin trio only formed in Berlin in 2021.

Due to Eli's many years of experience as a multi-instrumentalist with a classical and improvisational background and Dan's outstanding skills as a bass and drum player, the songs have developed a complete dynamic of their own. The Berlin trio Tatia & Co. was able to bring together the elements of folk and indie pop rock with the cast of bass, piano and guitars.

All songs were written in the same period and serve as a reminder of personal experiences. At this concert, many unreleased songs will be played.

The band will also perform hits by famous singers. On stage, these pieces change again and get a whole new interpretation.
